

PRESS RELEASE

Boralex to present at the Renewable Energies Conference at the Société Générale Corporate & Investment Banking

Montréal (Québec), November 17, 2009 - Boralex Inc. ("BLX" on the Toronto Stock Exchange) announces that Mr. Jean-François Thibodeau, Vice-president and Chief Financial Officer is making November 19, a presentation to institutional investors at the Renewable Energies Conference at the Société Générale Corporate & Investment Banking which is to be held in Paris, France.

A copy of this presentation is available on the Corporation website (www.boralex.com).

About Boralex

Boralex is a major private electricity producer whose core business is the development and operation of power stations that generate renewable energy.

*Employing over 300 people, the Corporation owns and operates 22 power stations with a total installed capacity of 365 MW in Canada, in the Northeastern United States and in France. In addition, the Corporation has more than 300 MW of power projects under development of which 40 MW will be put into operation in the next couple of weeks. Boralex is distinguished by its diversified expertise and in-depth experience in three power generation segments – **wind, hydroelectric and thermal.***

Boralex also holds a 23% interest in Boralex Power Income Fund, which has 10 power stations with a total installed capacity of 190 MW in Québec and the United States. These sites are managed by Boralex.

Boralex shares are listed on the Toronto Stock Exchange (TSX) under the ticker symbol BLX.
