

OUR COMMITMENT TO HEALTH AND SAFETY

A MATTER OF RESPECT

GIVEN THAT OUR HUMAN RESOURCES ARE OUR GREATEST ASSET, BORALEX SHALL DO EVERYTHING NECESSARY TO KEEP ITS WORK ENVIRONMENT PRODUCTIVE AND SAFE IN ORDER TO ENSURE THE WELL-BEING OF ALL PERSONNEL AND PARTIES INVOLVED WITH THE COMPANY.

BORALEX THEREFORE UNDERTAKES TO

PROVIDE a safe working environment for our employees and visitors;

INTEGRATE occupational health and safety into our management and decision-making process;

ADHERE to the health and safety laws and regulations that govern our activities and do more than they specifically require to achieve our goals of health and wellness;

DEVELOP and implement any management and measurement systems required to achieve an excellent performance in prevention;

ENSURE that a health and safety action plan is implemented in each operations center;

TRAIN our employees in occupational health and safety and keep them regularly informed about the importance of their health and safety in their workplaces;

REFUSE to have an employee or anyone working on our sites compromise his or her health and safety in order to carry out a task;

ENCOURAGE the participation and proactive attitude of our employees with respect to occupational health and safety as well as any actions that promote health and safety inside and outside the workplace.
