Facility Description: Applicant applied to the New York State Office of Renewable Energy Siting and
Electric Transmission (Office or ORES) for a permit pursuant to Public Service Law article VIII to construct
and operate a 250-megawatt (MW) solar energy facility located in the Town of Fort Covington, Franklin
County.

Applicant filed the application with the Office on July 16, 2024. A notice of complete application was issued
on February 11, 2025 ([see https://dps.ny.gov/ores-permit-applications](https://dps.ny.gov/ores-permit-applications), click on Project Permit Application
Number 23-02990).

ORES staff published draft permit conditions on April 14, 2025. The draft permit conditions may be
accessed at <https://dps.ny.gov/ores-permit-applications>, click on Project Permit Application Number 23-
02990.

ORES Staff Position: On issuing the draft permit conditions, ORES staff takes the position that the proposed
facility, together with the uniform and site-specific standards and conditions contained in the draft permit, would
comply with applicable laws and regulations. ORES staff recommends that the Office elect not to apply, in
whole or in part, any local law or ordinance that as applied to the facility is unreasonably burdensome in view of
the Climate Leadership and Community Protection Act targets and the environmental benefits of the proposed
facility.

Public Comment Hearing: A public comment hearing pursuant to 16 NYCRR part 1100 to hear and receive
unsworn comments from the public will be held at the **Fort Covington Senior Citizens Center, 2526

organizations, corporations, or government agencies who may be affected by the facility are invited to attend the
hearing and comment on the application and the draft permit conditions. Lengthy comments will not be accepted
and instead should be submitted in writing. Equal weight will be given to both oral and written comments. To
ensure that all interested persons have an opportunity to speak, the Administrative Law Judge (ALJ) may limit the
time available for oral comments to three (3) minutes per person. The public comment hearing will be transcribed
for inclusion in the administrative record. The hearing location is reasonably accessible to persons with a mobility
