

Boralex invites you to an in-person Open House for the Fort Edward Solar Project

Boralex will provide information on the current project area, results from field studies, and discuss our intention to submit an application to the Office of Renewable Energy Siting. We encourage all interested parties to attend the Open House to learn more about the project. Boralex is committed to becoming a long-term partner with the Town of Fort Edward. Our goal is to develop the Fort Edward Solar facility in a manner that respects the wishes of, and delivers benefits to, the local community.

The event will be an open house format, consisting of poster boards that will describe the project and Boralex staff in attendance to answer questions. The event will be held Thursday, April 18th, 2024 from 5:00 - 8:00 pm, at the Durkeetown Church, 2 Durkeetown Rd, Fort Edward

For more information about Boralex's 100 MW Fort Edward Solar Project proposed in the Town of Fort Edward, Washington County, please visit:

BORALEX

In-Person Meeting Date:
April 18th, 5:00 – 8:00 pm

at
Durkeetown Church
2 Durkeetown Rd,
Fort Edward

Notice of Intent to Submit Application

Fort Edward Solar LLC, a wholly owned subsidiary of Boralex Inc., is seeking under 94-C of New York State Executive Law a siting permit for the Fort Edward Solar Project, a 100 MW solar renewable energy generation facility proposed to be located in the Town of Fort Edward, Washington County, New York.

Local Agency Account Funds

Within thirty (30) days of an application filing with ORES, any local agency or potential community intervenor may submit a request for initial funding. Such request shall be made to the Office of Renewable Energy Siting, at the Albany, New York office, Attention: Request for Local Agency Account Funding. Funds from the Local Agency Account, may be used by local agencies and potential community intervenors that meet the eligibility and procedural requirements of the law to participate in public comment periods or hearings.
